

Why Resignation – thoughts on Nikki Giovanni's poem.

I wonder why she calls it  
Resignation.

Resignation suggests defeat, giving up,  
giving in.

She gives in to nothing

She accepts it, inhales it, welcomes it

-- Love, that is --

boldly, emphatically, joyously,  
easily, with eyes wide open,

naturally,

because it is

“the natural order of things.”
